# Welcome Parents

Dear Parents:

We look forward to an exciting and fun filled time at AristoCat Children's Academy! The program has been designed to include a variety of activities and learning opportunities. By using Creative Curriculum and Opening the World of Learning we are able to offer many activities that will allow children to associate their learning to real world. Please feel free to visit our academy, ask questions, share concerns and accompany us on field trips anytime. Together we can make this a dynamic time for your child filled with excitement and adventure. Thank you for sharing your precious child with us.

Sincerely,

JaCie Butters, Owner/Director  
AristoCat Children's Academy

## **Purpose of Handbook**

Both the home and school have important functions to serve in educating the child. Neither can work effectively without the understanding, support and assistance of the other. Guiding the development of the child is a cooperative endeavor. Therefore, it is very important that there is open communication between parent and teacher. In order to maintain an effective child care program, parents need to have an understanding of the program and the policies. The purpose of this handbook is to develop a better understanding of AristoCat Children's Academy.

## **Purpose and Goals**

In our facility teachers are trained to care for and enhance the child's developmental progress. The Academy aims to fulfill such a responsibility by way of the following goals and purposes:

1. To provide a supervised educational environment; this will meet the physical, emotional, social, and intellectual needs of infants, toddlers and preschool children as well as school age children.
2. To provide a "model" child care center where children can be served by the best and latest techniques in instructional methodologies.
3. To provide a developmental and intercultural learning experience for young children in a setting congenial to the spirit of harmony, generosity and goodwill.

## **In Addition:**

1. We provide an environment of warmth and security.
2. We help children see themselves as worthy contributing participants by being responsive to their needs.
3. We foster within children a sense of responsibility for their actions and a respect for the rights of others.
4. We provide optimal physical development through activity and equipment, designed to foster motor development.
5. We work with the Child and Adult Care Food Program to assure a healthy, well balanced variety of nourishing foods for children. This menu is reviewed bi-annually.
6. We provide guidance equipment and materials in an atmosphere that furnishes maximum cognitive stimulations.

**Non-Discrimination:** AristoCat Children’s Academy is committed to providing an environment free of unlawful discrimination. We do not discriminate based on race, gender, national origin, religion, sexual orientation or disability. Families requiring reasonable accommodation because of their religion or disability should direct that request to the Academy Director. Each request will be considered on an individual basis.

### **Mission Statement**

The AristoCat Children’s Academy Childcare Center exists to provide an affordable, safe, developmentally appropriate gateway to a bright future. We are committed to strengthening the bridge between your work and family life by creating a special place that supports them both. Our focus is to provide a stimulating learning experience which promotes each child’s social, emotional, physical and cognitive development. Our goal is to support children’s desire to be lifelong learners.

## Core Values

We value:

- **SAFETY**— We will ensure the well being of children and staff by providing a physical and emotional safe haven.
- **COMMUNICATION**— We will respectfully and clearly communicate expectations and needs while carefully listening to comments and concerns.
- **TRUST**— We will build a strong nurturing foundation by welcoming & respecting each and every family.
- **UNITY**—We will continue to strengthen the bond between home, family and work life by working, teaching and playing together.
- **PROMOTE LEARNING**— We will creatively encourage positive developmental growth in and out of the classroom.

## Staffing

All academy teachers must have a high school diploma (or equivalent) and must be able to pass a very thorough background screening. Teachers must also obtain the First aid / CPR and Food Handlers certification. All staff members are required to have at least 40 hours of Early Childhood Education Training each year.

## Schedule of Operation

The child care center is open Monday through Friday from 7:00a.m to 6:00p.m. Parents are requested to strictly observe the hours of operations, so that children are properly supervised at all times. If a late pick up occurs there will be a charge of \$20.00 for every fifteen minutes.

## Hours and Holidays

The academy is open Monday-Friday 7 A.M to 6 P.M.

The following holidays will be observed:

Memorial Day (The last Monday of May)

Independence Day (July 4<sup>th</sup> )

Pioneer Day (July 24<sup>th</sup> )

Labor Day (The first Monday of September)

Thanksgiving Holidays (Thanksgiving Thursday and the following Friday)

Christmas Break (Christmas Eve, Day & any following days of that week)

New Year's Day (year pending)

In addition, the academy will be scheduled for four in-service days per year, that every student will be charged the In-Service Daily Rate. These days will be for teacher continued education and curriculum preparation. Those dates will be given to you no less than one month in advance. The academy reserves the right to close on any other day that is not listed above, and a written notice will be posted as soon as possible.

### **Enrollment Procedures**

All applicants must complete a Child Care Enrollment Application (one per child). Each child must have a copy of the following on file:

1. Immunization Records for each child
2. Child Admission Agreement & Health Assessment for each child
3. Student Schedule
4. Signed Parent Agreement
5. Signed Photographic Authorization form
6. Signed Field Trip Permission Form
7. Completely filled out and signed Tuition Express form (you can choose Credit Card or Checking)
8. Signed and filled out Income Eligibility Form for Child Care Centers
9. It's All About... Page or Getting to Know Me Page

All parents are required to pay a non-refundable registration fee of **\$50.00** upon enrollment.

### **Tuition**

Tuition is calculated monthly. Tuition statement amounts reflect the number of days that your child is scheduled for that month. Fees must be paid PRIOR to services being rendered. Tuition is automatically calculated and charged through Tuition Express on the 1<sup>st</sup> of every month, unless it falls on a weekend or Holiday, then it will process within two business days of the 1<sup>st</sup>. All charges & payments can be viewed on check in computer each day or at myprocare.com by using the email you provide us with. All Statements can be viewed and printed with myprocare.com.

### **Late Pick Up**

Parents are requested to strictly observe the hours of operations, so that children are properly supervised at all times. If a late pick up occurs there will be a charge of \$20.00 for every fifteen minutes, starting at 6:01pm.

### **Cancelation Policy**

To cancel a day of childcare for your child, and receive credit, there must be a FULL 24 HOUR NOTICE according to our operating schedule, sent to our office via text, 435-640-8982, or office email, [acacademy@ymail.com](mailto:acacademy@ymail.com), to qualify for a credit towards that day. Messages do not come through to the office from Brightwheel and do not count for a credit. All credits will go towards the next month's bill. Any notice that does not have 24 HOUR NOTICE (minimum of 7 am the prior day) will not receive credit for that day.

### **Check In/Out Policy**

For the safety of your child, we require you to sign your child in and out of the facility. If for any reason you are unable to check your child in, please see the director immediately. If a child is not checked in or out of our facility, there will be a \$20.00 check in/out fee per occurrence.

### **Drop in Policy**

In order to ensure proper ratios are maintained at all times, a 24 hour notice must be sent to our office via text, 435-640-8982, or office email, [acacademy@ymail.com](mailto:acacademy@ymail.com). Any child dropped off who is not on the schedule and has not been arranged to be at the center will be charged a \$65.00 drop in fee. If your child cannot be accommodated, we can and will refuse service.

### **Payment**

Tuition Express gives you the option of paying with electronic check, debit card, credit card or EBT (State Assistance). Invoices and Payments may be tracked online after registration or upon request. AristoCat Children's Academy does not accept cash or check. Teachers cannot accept fee payments in any way. If for any reason a payment is declined, a fee of \$35.00 will be added to the account for each time the decline occurs.

### **Past Due Accounts**

A parent whose account is one weeks delinquent will be denied access to the academy, and the child may not attend the center until the account is paid in full. The academy is willing to work with parents who are making an effort to pay the child care fees, and have had a conference with the Director regarding financial plans. A \$35.00 late fee will be applied

every month the account is past due. Accounts that are past-due 30 days will be turned in to a collection agency of AristoCat Children's Academy's' choice and all agency fees will be paid by the delinquent party.

### **Returned Checks and Delinquent Fees**

There will be a \$35.00 fee for all tuition that is returned by Tuition Express for any reason.

### **Absences and Vacations**

Regular attendance is encouraged. Any child absent from the center for a period lasting longer than two (2) weeks at any one time, without notifying the Academy Director, will automatically be dropped from active enrollment, and will need to re-enroll. If one absence is to occur parents are encouraged to give a one week notice. Your child may take two consecutive weeks of vacation per year, but will require giving two weeks' notice prior to the period of vacation in order to reserve a place in the Academy. There must be a 24 hour notice given for an absence if a refund for that day is requested.

### **Waiting List Policy**

In order to hold your spot on the waiting list, there will be a nonrefundable \$100 holding fee per month per child. Once there is an opening, you will be contacted with a date to start enrollment. For any reason you would like taken off of the waiting list, you must contact the office manager before the first of the month.

### **Holding Fee Policy**

Any child not in attendance for two consecutive weeks will be charged a \$100 holding fee per month.

### **Sunscreen Fee**

For your child's safety and health we apply sunscreen each time we go outside. There will be a mandatory \$5 sunscreen fee during the months of April through November.

### **Withdrawn / Termination**

Parents must notify the center director two weeks prior to withdrawal. All fees are due and payable during the final two weeks, regardless of termination cause.

AristoCat Children's Academy reserves the right to dismiss any child at any time with cause. Account balance must be paid within 30 days of dismissal; otherwise the account will be referred to the company's collection agency, with fees of collection agency to be paid by delinquent party. Non-payment of tuition is cause for immediate dismissal.

## **Referrals**

We know satisfied parents are our best form of advertising. It is our hope you will share your satisfaction with friends, family and co-workers. As a thank you for referring another family to our program you will receive one week's free tuition for your child and you referral will receive FREE registration! The new family must have paid one month's tuition before this credit will be issued. Please see the director for additional details. Be sure to have referral mention your name.

## **Parent Conduct**

AristoCat Children's Academy requires the parents and others picking up or dropping off children to behave in a manner consistent with decency, courtesy, and respect. One of the goals of AristoCat Children's Academy is to provide the most appropriate environment in which a child can grow, learn and develop. Achieving this ideal environment is not only the responsibility of the employees of AristoCat Children's Academy but, is the responsibility of each and every parent or adult who enters the Academy. All adults are required to behave in a manner that fosters this ideal environment. This includes refraining from swearing, threatening, physical /verbal punishment of a child, smoking, and confrontational interactions.

## **Brightwheel Program:**

The Brightwheel Program is a program AristoCat Children's Academy utilizes in the classroom and in our summer camps. This is a mandatory program for all students that is \$7/month.

### Features Include:

- Receive pictures and beautiful daily reports via app
- Download and share photos of your children
- 30-day daily report archive and 1-year picture archive
- Record of meals, activities, naps (and more!)
- Lesson Plans
- Available 24/7 via app

## **Social Media Policy**

If for any reason it is seen that you or your family/friend has posted or replied on a Social Media Platform and has made any derogatory remarks about the Academy or its staff and/or students, your child(ren) enrollment will immediately be terminated from the Academy. The two week termination notice fee will also still apply.

## **Arrival and Departure**

Classes begin promptly at 8:30am. Please have your child here before noted time to eliminate classroom disruption. Upon arrival, each child must be clean and fresh. Please bring your child with a clean face, clothes, and especially free of soiled diapers/underwear.

For the safety of your child, all children must be signed in upon arrival and signed out at departure every day. Children who are not signed in or out, may be charged a \$20.00 check in fee.

For the health of your child, all children and visitors must wash hands following the posted hand washing procedures prior to entering any classroom.

Children will not be released to anyone not pre-authorized on the emergency list. When someone needs to be added to the authorized pick up we prefer that a parent/guardian does this in person with a staff member on duty. However, we will accept a call made from the parent/guardian to the academy's direct phone line, where they will be prompted for verification and name of authorized pick up personnel. Children must be left with a staff member upon arrival and parents must notify a staff member when a child is leaving. Do not let your child enter or leave the building unaccompanied.

We strongly request the parents do NOT drop children off during nap time (12:45p.m-2:45p.m.) for it disrupts the rest of the class. While picking up or dropping off your child who is enrolled at the Academy; we urge you not to leave unattended children in your vehicle.

Parents agree to provide transportation to and from AristoCat Children's Academy. Once a parent signs their child out, the parent is then solely responsible for supervising their child while on Academy premises.

\*Cell Phones: We ask all persons to please finish their cell phone conversation prior to entering the building. The children are excited to see you and need your full attention. Take a minute to enjoy greeting your child and listening to what they have learned that day.

## **Clothing**

Children should wear clothing that is comfortable, washable and allows for self-dressing. Coats, boots, mittens, sweaters, etc. should be clearly marked with the child's first and last name. We recommend that you provide a change of clothes in case of a spill or accident. Children need to wear sturdy closed toe shoes as a matter of safety, particularly on the playground and field trips. A pair of "house shoes" must be provided for your child to wear ONLY inside the classroom. The "house Shoes are to be sensible shoes, slippers and flip-flops are not permitted. This is done to cut back on the bacteria that is brought in to your child's learning environment and to keep sanitation levels up. No Outdoor shoes are to be worn in the classroom.

AristoCat Children's Academy will follow ACA Clothing Policy. This includes the length of shorts, at least fingertip length, and NO tank tops (in which case if one is worn an ACA t-shirt will be provided). Please bring your child in appropriate clothing for the day. We highly recommend the use of long or short sleeve sun-shirts in the summer for water play. If your child is wearing a bikini, an ACA t-shirt will be provided.

ARISTOCAT CHILDRENS ACADEMY IS  
NOT RESPONSIBLE FOR LOST OR DAMAGED ITEMS.

## **Diapering Procedure (for non-potty trained children)**

Parents of children in diapers are responsible for bringing sufficient diapers and wipes for each day. A fee of \$1.50 per diaper will be charged for diapers provided by the Academy. All children who are toilet training will be taken to the restroom every 40 minutes to be given the opportunity to use the restroom.

For those children who require diapering (including infants) the procedure is as follows:

**\*\*ONE HAND IS TO BE KEPT ON THE CHILD AT ALL TIMES\*\*** (including when turned away from changing table)

Gloves are to be worn 100% of the time during diaper changes due to the risk of exposure to CMV. For pregnant women, one of the two most common exposures to CMV is through contact with the urine and saliva of young children with CMV infection. The purpose of

this rule is to prevent the spread of disease-causing agents. Separate, plastic-lined waste containers that do not require touching with contaminated hands and that the children cannot access, encloses odors and prevents children from coming into contact with body fluids. Maintaining sanitary conditions during toileting/diapering routines is necessary to minimize the spread of germs in the early childhood classroom. So it is important for every child and staff member that sanitary procedures be carried out consistently and correctly to protect the health of the staff, the children, their families, and greater community.

1. Before beginning the diapering procedure, clean your hands by using proper hand hygiene (handwashing according to directions)
2. To minimize contamination, prepare for diapering by getting out all of the supplies needed for the diaper change and placing them near, but not on, the diapering surface.
3. Place the child on the diapering table, keeping soiled clothing away from you and any surface that cannot be easily cleaned and disinfected. Remove all clothing to access diaper. If Soiled, Place clothes into a plastic bag. Always keep one hand on the child.
4. Unfasten the soiled diaper but leave it under the child. Lift the child's legs as needed and use wipes to clean child's bottom from front to back (one wipe per swipe). Put the wipe in the soiled diaper.
5. Fold the soiled diaper inward, wrapping it up. Then by placing the diaper and wipes in your gloved hand, pull your gloves over the diaper so that it is completely covered.
6. Throw away the glove wrapped diaper and wipes into a lined, covered, hands-free trash container.
7. Use a wipe to remove soil from your hands and throw into trash container.
8. Use another wipe to remove soil from child's hands and throw into trash container.
9. Slide a clean diaper under the child and use the tissue or paper towel to apply any necessary diaper cream. Dispose of the tissue or paper towel in the designated container, then fasten the diaper.
10. Redress the child in either the clean clothes they were wearing or into new clean clothes.
11. Wash the child's hands following the proper handwashing procedure.
12. Return the child to the play area without touching any other surfaces.
13. Clean the diapering surface by spraying it with HB Quat, and wait at least 30 seconds (as per HB Quat Instructions). Wipe with a paper towel.
14. Disinfect the diapering surface by spraying it with HB Quat and wait at least 2 minutes before wiping (or allow to air dry).
15. Clean your hands by using proper hand hygiene.

16. Record on Daily Board and in Digital Daily Report for Families.

### **Cloth Diaper Policy**

We do accommodate parents who wish to use cloth diapers for their children. Parents who wish to use cloth diapers for their child must bring a HANDS FREE Diaper Genie and provide the appropriate bag inserts for it. The purpose of this rule is to prevent the spread of disease-causing agents. Separate, plastic-lined waste containers that do not require touching with contaminated hands and that children cannot access encloses odors and prevents children from coming into contact with body fluids. Cloth diapers will be sent home at the end of each day.

### **Clothing and Toys**

For younger children's (0-3yrs) comfort, we ask that you to bring a complete change of clothing (underwear, socks and outerwear) clearly marked with the child's full name for identification. These will be kept in the center and used when necessary. The child's clothing should be comfortable and adequate for the weather. Outdoor play, when the weather permits, will be an important part of your child's day at the Academy. He/she will also engage in activities such as art, sand and water play. You should consider these things when dressing your child for the Center. Please do not send designer clothing, expensive jewelry, chap stick, hats or barrettes to school. We expect the children to play without worrying. Toys will be provided by the Center and none should be brought from home.

**ARISTOCAT CHILDRENS ACADEMY IS NOT RESPONSIBLE FOR LOST OR DAMAGED ITEMS.**

## Things to Bring that will STAY at the Academy

---

### INFANTS: (0-18 months)

Bottles  
(Bottles and Sippy Cups and Pacifiers will not be used in the 2 year old room)  
Breast Milk  
Diapers/Wipes  
Rash Ointment  
Pacifier  
Sleep Sack or Swaddle Wrap Fasteners  
(Velcro, zipper buttons)  
3 pairs of pants  
3 shirts  
3 pairs of socks  
House shoes

### PRE-SCHOOL

3 pairs of pants  
3 shirts  
3 pairs of socks  
House shoes  
(Pull Ups if Potty Training)

### SEASONAL FOR ALL CHILDREN

#### **WINTER:**

Snowsuit  
Coat  
Boots  
Gloves  
Hat

#### **SUMMER:**

Swimsuit  
Swim Shirt  
Towel  
Water Shoes (closed toe)

**\*\*If any choking hazards are brought in to the academy they will be discarded immediately.**

### **Daily Routines**

Each classroom teacher will have a daily schedule posted in his or her room. All classes start promptly at 8:30 A.M. Parents are encouraged to involve themselves in their child's daily activity. Please do not be late for class as it disrupts every child. The center will post notices of special events and activities. We also provide an opportunity for outdoor play every day. We use the Weather Watch Chart to determine the appropriate outdoor temperatures for children. For parents with infants, toddlers and 2 year olds may request a daily report sheet. This will have all daily activities of your child for the day.

**Children under two years of age DO NOT watch TV, videos or use computers.**

We believe that the use of TV, video, and/or computers are not considered absolutely necessary in preschool programs. The types of activities associated (with this equipment) often requires passive, rather than active, involvement, sedentary behavior, limited learning opportunities, forced participation, and few opportunities to practice important social skills.

## Transitioning through Activities

An egg timer,(or alarm on your watch) – Teachers will show their students that they are setting the timer, and let them know that when it goes off it will be time to switch activities. Having a “ping” announce it’s time to move on takes the pressure off teachers, and when used consistently helps students transition between activities without frustration.

Verbal cues are an absolute necessity when encouraging your child to transition from one activity to the next.

Cueing will take place before, during, and after the transition. For example:

**Before:** After this tower, well put the blocks away so we can have lunch.

**During:** Time to put the blocks away so we can have lunch.

**After:** Nice job putting the blocks away! Now its time for lunch.

Of course, real life doesn’t usually happen this smoothly, and that’s okay. Kids aren’t always going to like the fact that they have to stop something that they’re enjoying. Here are some steps we use to move towards smoother transitions:

- **We ALWAYS use verbal cues** before, during, and after a transition.
- **We use verbal cues that your student can understand.** Young children don’t understand abstract time frames like 5 or 10 minutes. We use concrete references like, Three more times down the slide. Then, we help your child count, reminding them how many times are left after each turn. Then remind your child several more times before it is time to transition.
- **We use picture schedules and cards that can be helpful** for children who have a hard time following verbal directions. We point to the picture of the next activity, or hand your child the picture and let them carry it to the next activity. This can be helpful in transitioning. Sometimes students simply don’t understand or can’t process the verbal direction alone. This technique can be particularly helpful.
- **We establish and maintain regular schedules and routines** in our classrooms. When students know what to expect and can anticipate upcoming transitions, they can maintain a sense of organization and order leading to smoother transitions.
- **We allow for adequate time** for children to engage in their preferred activities without interruption.

Transitions will always be difficult for your young child. Developmentally, they're simply not well-equipped to leave an activity they're enjoying and move to a potentially less desirable one. Keep in mind that this, like any other step in your day, will be exacerbated by lack of sleep, hunger, or illness.

### **Transitioning into a different Classroom**

At AristoCat Children's Academy we understand how important it is for a child to be eased into a new environment. For them to be comfortable before they start in a new classroom AristoCat Children's Academy does the following:

- 3 months before the transition, the student will meet their new teacher and tour the new classroom to see what is there.
- A few months before the transition, AristoCat Children's Academy will let the student spend a morning or afternoon in the class that they will be transitioning into.
- A month before the transition, AristoCat Children's Academy will let that student spend a whole day in the classroom to get used to the new environment.
- A week before the transition, AristoCat Children's Academy will let that student spend a few days that week in the classroom to get used to the new environment.

### **Transitioning into Your First Year of School**

It's an amazing time for your student to start Kindergarten at the public schools. At AristoCat Children's Academy we strive to make this transition an easy and happy time for you and your student. Here are some strategies that are used at AristoCat Children's Academy each year:

- We will take your students on "bus runs" to show them where they will be picked up and dropped off.
- We will work with your student in our classrooms to get them ready for kindergarten by working on preschool and kindergarten curriculums.
- We will transition your student with the older group of students the summer before to get so that they can get used to being with older students.

- We will create situations where your student can listen to instructions and follow them, help in the classroom as a class helper, and transitions from activity to activity.

Here are some strategies you can use at home before the school year:

- Take a tour with your student of the elementary school.
- Meet your students new teacher with them.
- Play at the park at the elementary school.

### **Transportation**

Safety is our primary concern when transporting children. Our buses have scheduled maintenance and inspections. All children must wear a seat belt and remain orderly when riding in our buses.

If for any reason your child will not be riding from their school, it is imperative that you notify the Academy 30 minutes before pick up time.

**A \$15.00 fee will be charged each day** when the Academy is not notified to take the child's name off the pick-up schedule. The bus driver will wait five minutes at the assigned bus stop. If a child does not report to the bus in that time the driver will notify the Academy, and the school, then proceed to the next assigned pick up location. The Academy director will call the parents for further instructions.

Our buses will not transport children during any weather conditions considered hazardous.

### **Field Trips**

Parents will be notified in advance of all field trips. Children are expected to follow all safety rules of field trips. Failure to abide rules will be cause for excluding a child from field trips. Younger children may go on walks through the neighborhood. All children are required to wear closed toe shoes on all field trips. If a class field trip is scheduled, and you wish for your child not participate, you may be asked to make other care arrangements for your child for that day. When on field trips, we follow the same teacher/student ratio as in class.

## Progress Observations

Individual assessments of skills are completed three times each year for every child. Assessment's includes social, emotional, cognitive, language, gross and fine motor coordination and self-help skills. These help us know how to best guide each child's learning. We will review these observations at Parent- Teacher Conferences. All parents are encouraged to attend conferences and be involved in your child's academic growth. We will hold parent teacher conferences twice per year.

## Parental Involvement

Parents are encouraged to be involved in their child's school activities. We invite parents to join their child on an "AristoCat Trial Day" prior to enrollment. Once enrolled, parents may volunteer to attend trips, read in the classroom, share family or cultural traditions- foods- music- games and/or assist teachers. Parents not interested in volunteering directly in the classroom may donate items, do maintenance work, or assist in program preparation. Parents are encouraged to attend Parent Teacher Conferences which are held twice a year.

## Nutritional Information

AristoCat Children's Academy participates in the Utah Child Care Food Program. An application is maintained on file for each child enrolled in our program. As part of the Utah Child Care Food Program our academy follows the meal pattern provided by the state of Utah. The children are served a nutritious Breakfast, morning and afternoon snack, as well as a hot lunch. **We do not allow food or drinks to be brought from home.** The staff will adhere to any diet restrictions or food allergies as long as your family physician or a letter from your house of worship documents them. Parents will need to contact the Academy Director or a teacher for proper procedures when they wish to bring snacks for special occasions, such as a birthday party.

Infants- Our academy will provide baby food and cereal as well as a house formula. If you choose not to use the house formula a waiver will need to be completed and signed.

Breastfeeding infants is an encouraged practice at AristoCat Children's Academy. **ACA will provide a cozy private area for nursing mothers.** When breast milk is the primary choice of food for an infant it will be thawed by sitting in a bowl of warm water (never in a microwave). To warm bottles that are already thawed the academy will use a bottle warmer,

and temperature will be tested before serving. Breast milk will be stored in a labeled container either in the refrigerator or the freezer.

\*All bottles and food that have been served to an infant must be discarded after two hours after feeding (Utah State Licensing rule).

Birthdays- Your child's birthday is a very special day and we love to help celebrate. You are welcome to bring a special snack for your child's class if you choose. Health Department regulations require all food brought in the building to be commercially prepared or pre-packaged. Please discuss your plans with the director prior to the day.

## **Health**

Parents are required to provide the Academy with a record of the child's immunizations. Please submit an updated form to the office when the child turns 2 months, 4 months, 6 months, 12 months, 18 months, 24 months, 5 years and 7 years old. Parents also must sign an agreement giving the Academy permission to call a doctor in case of an emergency.

If your child becomes ill at the Academy, he/she will be isolated and you will be notified at once to take child home. Facilities are not available at the Academy for sick children. If the Academy calls a parent when his/her child becomes ill, parents are expected to pick up the child in a timely manner. **Children need to be picked up within 30 minutes.** We require parents to come expeditiously without hesitation. If a parent does not come or refuses to pick up his/her child, he/she will be unenrolled from our program. If your child develops an illness, rash, fever, etc., you should call the Academy and state the nature of his/her condition. Other parents may need to be notified in case of a contagious disease/outbreak.

A child with an elevated temperature, diarrhea, vomiting or known illness will not be admitted to the Academy. If your child has a fever, vomiting or diarrhea the night before, you are required to keep him/her home to limit exposure to infections in the Academy. If your child is between 6 weeks and 5 years old we do not allow your child to attend the Academy with a fever above 101.0 degrees.

**If your child has three episodes of  
vomiting or diarrhea  
you will be called to pick up your child.**

**If your child has a temperature of 101 and holding,  
and/or any signs or symptoms that are outlined in the**

Utah General Health Guidelines,  
we will call for you to pick up your child.

If a child is sent home from public school,  
AristoCat Children's Academy will follow district policy  
and the child will not be allowed at ACA.

The child must be FREE of any fever, vomiting, or diarrhea  
AT LEAST 24 hours  
before returning to AristoCat Children's Academy.

**AristoCat Children's Academy has the right to change update these policies at any time for the safety and health of our students. This includes any outbreaks or epidemics that the local health department has declared.**

### **Allergies**

Please inform AristoCat Children's Academy of any allergies your child may have and their reaction to any allergens. We will make a copy for your child's teachers. Parents should check the meal and snack menus each month and inform the teachers if there are any foods he/she should not eat.

### **Medication**

In accordance with state law AristoCat Children's Academy will not dispense any medication to any child without advance written consent from the parent or guardian. Parents must complete a "Parent Permission to Administer Medication" form and give the form and the medication directly to the Director or the child's teacher. Prescription medication may be given only to the child for whom it is prescribed. Over the counter medication must have the child's full name printed on the container. All medication must be in its original container. ACA will follow ALL manufacture guidelines when administering medications.

### **Rest Time**

All children at the Academy will rest after lunch. To protect your child's health, we provide a freshly sanitized cot. Please do not provide any sleep materials, as they will be provided. Although children will not be forced to go to sleep during the nap period, nor criticized for not going to sleep, they will be required to rest quietly or do a quiet activity that is provided so that children who want to sleep may do so. Children are able to get off their mats/cots after 30 minutes if they wish. Children only stay on their cots/mats longer than 30 minutes if they choose to do so. TV and videos are not used during nap time.

### **Biting/Hitting Policy**

Outlined below is our policy for children who bite or cause physical injury to other children. We work consistently with the children on appropriate and expected behavior. Biting or hitting is especially tough because there is a victim. It is our goal that everyone should have a good, injury-free day. Most victims are very disturbed about being bitten or hurt.

Our policy on biting/injuring is as follows:

1. We will encourage you and your child to discuss what we do bite (food, apples, crackers) and what we don't bite (children, paper, toys, etc.)
2. We can also suggest you make available to your child a teething ring or sterile frozen washcloth for biting. These can be used at school as well.
3. If there is a continuing biting/hitting incident, your child will be removed from the center for the remainder of the day. This will give you an opportunity to Re-emphasize what is acceptable and what is not.
4. If biting/hitting continues after all the measures above have been exhausted, we will ask you to make other arrangements for your child.

It is important that we make this policy clear for the safety and wellbeing of all the children in our care. Everyone has the right to have a good, safe day. We must maintain that standard by stating what is acceptable and what cannot be tolerated.

## **Abuse and Neglect**

As early care and education professionals we are mandated by law to report any suspected cases of child abuse or neglect. We will not hesitate to seek help for any child. The Academy is required to contact the Department of Children Services for refusal to pick up a child at any time.

## **Guidance**

It is important that children learn to see themselves as worthy, contributing participants, with a sense of responsibility for their actions and respect for the rights of others. We believe in a positive approach to discipline with logical consequences for inappropriate behavior. When redirecting or guiding the child, consideration is given to both age and level of development for setting limits and schedules. Parents will be notified if there is a consistent behavior problem. Children learn and live by positive words and actions as a method of developing confident interpersonal skills.

## **Corporal Punishment is prohibited by Parents and Staff**

Corporal punishment is prohibited at the academy (This includes the parking lot)! Verbal abuse, threats, cruel and unusual punishments will not be tolerated! Children will not be deprived of basic needs for any reason. When a child's behavior interferes with the teacher and children to the point of repeated disruptive behavior, parents will be required to have a conference with the teacher to develop a plan of action in order to stop the behavior.

Conferences may be held at any time. Parents are encouraged to communicate with teachers regularly. The director will conduct all conferences. The Director maintains an open-door policy. However, please make every effort to communicate with the teachers.

## **Emergency Care**

Accidents are inevitable wherever large numbers of children gather. We strive to prevent mishaps through safety instructions, elimination of dangerous equipment, alert supervision, and other safety procedures. However, despite precautions, we cannot completely avoid injuries; therefore, certain policies have been established to insure immediate and adequate care when such occasions arise. At the time of registration, parents must sign an agreement

giving the Academy permission for emergency medical care, and list the name and address of a doctor to call in case of emergency. If parents cannot be contacted immediately, the Academy will then notify other persons designated by the parent to call in case of an emergency. Please keep emergency contact information current. If an attempt is made to contact emergency numbers that are no longer working your child will be denied access until working numbers are provided. An emergency is any time a child needs medical attention beyond basic first aid.

### **Incident /Accident Reports**

Should your child be involved in an incident/accident during the course of the day, a staff member will complete an Incident/Accident Report. The Academy Director or Supervisor will have the Incident/Accident Report for the parent to sign at pick-up. The Academy Director or Supervisor will be able to discuss the matter with you at pick-up. Should a person other than the parent pick up the child on the day of the incident, it is then the responsibility of that person to sign the incident report and inform the parents of the incident. By signing the incident report, you are ONLY acknowledging that you were informed about the incident.

### **Emergency Preparedness**

Our staff is trained in emergency response. This includes skinned knees to medical emergencies. Fire drills are held monthly and mock disaster drills semi-annually. Should the building have to be evacuated parents will be notified and the staff will remain with the children until they are picked up. If a child has a life-threatening emergency, the staff will call 911 and notify the parents immediately. We will have drills for all the following emergencies:

- CO2
- Fire
- Flood
- Tornado
- Hurricane
- Hazardous Material  
Accident
- Bomb Threats
- Gas Leak
- Power Failure
- Loss of Water
- Plumbing Problems

### **Security**

It is recommended that you lock your car whenever you leave it unattended in front of the Academy. The front door is locked each day at 6:00 p.m. We will not release a child to an unauthorized person. Anyone other than a parent picking up his or her child will have to show identification (by scanning fingerprint), or be on the authorized pick up list. When someone needs to be added to the authorized pick up we prefer that a parent/guardian does

this in person with a staff member on duty. However, we will accept a call made from the parent/guardian to the academy's direct phone line, where they will be prompted for verification and name of authorized pick up personnel.

### **Conflict of Interest**

AristoCat Children's Academy does not allow staff to care for enrolled /previously enrolled (past 36 months) children outside of the academy during academy business hours. Failure to comply with this policy can result in termination of enrollment for child and termination for employee. This matter is not taken lightly. Do not ask for staff personal information.

### **Grievance Procedure**

Should you or your child questions or concerns about any part of our program we ask you to speak directly with the center director or the center owner. We are committed to providing the best possible care for your children and understand there might be occasionally misses in communication. Please talk to us so we can resolve any issues and/or concerns. If you have any further questions regarding the state regulations please feel free visit <http://health.utah.gov/licensing>
